### Story Ideas

Please send your story ideas to [NGP@OneFPA.org](mailto:NGP@OneFPA.org). Our editorial staff will review your topic for relevance and quality and may suggest revisions before your story has been written or sent. Authors will be notified of the editorial staff's decision within one week.

### Content

- **Article Length:** Submissions should be 600-1,000 words in length.
- **Audience:** Please keep our readers—primarily financial planners who are new to the profession—in mind as you write. Provide objective, timely and practical material that our readers can apply directly to their day-to-day work, careers and/or life – readers should be able to take away feasible and achievable action steps from every piece in the *FPA Next Generation Planner*. Assume the reader has a fundamental knowledge of the financial planning profession and landscape. Submissions that include product or sales promotion of any kind will not be accepted.
- **Style:** The *FPA Next Generation Planner* uses AP Style as a guide for writing and formatting. Your submission should be easy to read and follow, yet professional, with thoughts and concepts that are clearly presented and easy to comprehend.
