Financial Planning Association® (FPA®) is the community that fosters the value of financial planning and advances the financial planning profession. FPA's strategy to accomplish its objectives involves welcoming all those who advance the financial planning process.

In this spirit, the FPA Diversity, Equity & Inclusion Committee established the Diversity Scholarship Program to assist with its mission to develop strategies to raise awareness and promote inclusiveness of diverse communities. In so doing, FPA strives to increase professional opportunities for the widest spectrum of people so that all may join and thrive in the financial planning profession.
