College Planning Certificate Now Available to Financial Planners

With over 44 million student loan borrowers and outstanding education debt exceeding \$1.7 trillion, financial planners can play a pivotal role in helping families plan and pay for college. To help you serve the needs of clients with college-bound children, FPA has partnered with College Aid Pro™ to launch **College Planning Made Easy: An FPA Certificate Program**. The course, which qualifies for 4.5 CFP® CE credits, provides a deep dive into not only the technical aspects of navigating the college funding maze, but also practical talk tracks and exercises to help planners connect with their clients and guide them through the behavioral and emotional aspects of the college buying decision.
