

Table 2: Information Source for Investing Decisions		
Variable (N = 5,777)	<i>Weighted (%)</i>	<i>Unweighted (%)</i>
Neither	20.51	18.51
Non-professional Only	23.07	19.9
Paid Adviser Only	41.21	44.12
Both	15.21	17.47

Note: Four mutually exclusive sources of financial help-seeking for saving and investing. The dependent variable in the multinomial logit regression.
