

**Ben Johnson, CFA**  
**Head of Client Solutions, Asset Management at Morningstar**

Ben Johnson, CFA, is the head of client solutions, working with Morningstar's asset management clients to leverage Morningstar's capabilities in advancing our shared mission of empowering investor success. Prior to assuming his current role in 2022, he was the director of global ETF and passive strategies research within Morningstar's manager research group. Earlier in his tenure in the manager research organization, he served as the director of ETF research for Europe and Asia. He also previously served as a senior equity analyst, covering the agriculture and chemicals industries. Before joining Morningstar in 2006, he worked as a financial advisor for Morgan Stanley.

Johnson holds a bachelor's degree in economics from the University of Wisconsin. He also holds the Chartered Financial Analyst® designation and is a member of the board of directors of CFA Society Chicago.
