## Medicare: Beyond Parts A&B and the Impact IRMAA can have on your clients

From Financial Advisors to Wisdom Advisors.

- Financial advisors are evolving from technical experts to trusted life strategists.
- It's no longer enough to outline a retirement plan in a spreadsheet.
- True value lies in helping clients answer the bigger questions:
  - What will bring me fulfillment?
  - Who am I beyond my career?
  - What upcoming milestones am inadvertently unaware of?
- Evolving beyond financial knowledge leveraging Medicare.

### Medicare Income-Related Monthly Adjustment Amount - Life-Changing Event

If you had a major life-changing event and your income has gone down, you may use this form to request a reduction in your income-related monthly adjustment amount. See page 5 for detailed information and line-by-line instructions. If you prefer to schedule an interview with your local Social Security office, call 1-800-772-1213 (TTY 1-800-325-0778).

Name \_\_\_\_\_ Social Security Number \_\_\_\_\_

You may use this form if you received a notice that your monthly Medicare Part B (medical insurance) or prescription drug coverage premiums include an income-related monthly adjustment amount (IRMAA) and you experienced a life-changing event that may reduce your IRMAA. To decide your IRMAA, we asked the Internal Revenue Service (IRS) about your adjusted gross income plus certain tax-exempt income which we call "modified adjusted gross income" or MAGI from the Federal income tax return you filed for tax year 2018. If that was not available, we asked for your tax return information for 2017. We took this information and used the table below to decide your income-related monthly adjustment amount.

The table below shows the income-related monthly adjustment amounts for Medicare premiums based on your tax filing status and income. If your MAGI was lower than \$87,000.01 (or lower than \$174,000.01 if you filed your taxes with the filing status of married, filing jointly) in your most recent filed tax return, you do not have to pay any income-related monthly adjustment amount. If you do not have to pay an income-related monthly adjustment amount, you should not fill out this form even if you experienced a life-changing event.

If you filed your taxes as:	And your MAGI was:	Your Part B monthly adjustment is:	Your prescription drug coverage monthly adjustment is:
